

DEAD MAN FAKE

A TRIBUTE TO PAUL WESTERBERG

Thank you to the MWT message board, and to everyone who contributed to the CD. The idea for the “Dead Man Fake” album name was Jason Garner’s. The photo of PW used on the tray card was contributed by Michael LuBrant. The bus shots are from James Pauls from eyecrave, except for the CD label, which is from Soupy Bones.

All songs are by Paul Westerberg.
